General Art Show Rules

1. Art should be of a space, technology, space-related science fiction, astronomical or related theme. Subject matter must not violate existing copyrights or trademarks. Single copies of signed limited edition prints are allowed for bid sale as long as those same prints are not available elsewhere at the convention.
2. We reserve the right to refuse the exhibition of any piece for any reason. Works that are judged to be libelous, plagiaristic, obscene, or detrimental to the value of trademarked characters will not be permitted. If you have any doubts on a piece you'd like to show, check with the Art Show Director before the show. (Tasteful nudity is permitted, of course.) A phone call, or a slide or picture sent prior to the convention, will alleviate questions on exhibiting questionable artwork.
3. **All two-dimensional artwork must be matted, mounted, or framed.** Attending artists and agent must hang their own art. Artists must attach a hanging device to the back of any piece too large to be secured with a bulldog clip. Framed artwork must be ready to hang. We will be using pegboard, hooks, and bulldog clips. Those artists who are mailing in art should include a diagram of how the art to be hung in your space. Please allow enough room for bid sheets.
4. Small 3-D items like jewelry or miniatures should be displayed in a lockable closed display case. Small items without a case should be securely fastened to a large display board or other secure means. Each artist presenting small items is responsible to provide the appropriate securing means. We are not responsible for theft or damage to pieces displayed.
5. **All artwork must be clearly labeled.**
 1. Once an artist sends in their ART SHOW ENTRY AND RESERVATION FORM and fee payments they will be sent the requested number of Bid Sheets, Control Sheets, Print Shop Sheets, and identifying stickers. The artist should place the identifying sticker on the back of each piece.
 2. A bid sheet must be prepared for all pieces, whether for sale or not. **The title and artist's name and contact address must be on the back of each piece or print.** This can be accomplished with a return address label or business card.
6. Once artwork has been entered in the show, an artist may not withdraw any pieces before 2 pm Sunday. Prices of artwork may not be changed during the show without the express approval of the Art Show Director.
7. The Art Show staff will begin accepting art for set up on Thursday 3 PM. Artists that have prepaid and arrive before noon Thursday and assist in art show setup will receive their selection of space within certain restrictions. A receipt will be issued for all art accepted. Artwork may not be reclaimed without this receipt and identification. Artists unable to reclaim their own artwork must make prior arrangements with the Art Show Director.
8. AWARDS. Art Awards will be given.
9. AUCTION. **All pieces that receive 3 or more bids before the Sunday Auction, or are bid over \$100 will go to the voice auction.** The director reserves the right to change the number of bids required. **All pieces with no bids will be available on Sunday at the After Auction Price.**
10. **We will charge a 10% sales commission on all pieces sold in the main show.** Please allow for this when calculating your Minimum Bid, Quick Sale, and After Auction Prices. Minimum bid is the least price you will accept for the sale of your art. The Quick Sale Price must be a higher price (usually the regular Gallery price of the piece) that will enable the piece to be sold without going to auction. The After Auction Price is only used when the piece receives no bids by auction close. If the After Auction Price is too low, it will reduce the chances of the piece going to auction. You may opt not to have a Quick Sale Price, or an After Auction Price, but all "For Sale" pieces in the main show **MUST have a minimum bid price.** If you do not have an After Auction Price, your art will be available for Quick sale price on Sunday. If you only have a minimum bid price, your art cannot be sold on Sunday. There is no extra charge for Not For Sale pieces, other than hanging fees.
11. Taking of photographs, other than Press, will not be allowed within the art show without the

express permission of the Art Show Director. Please do not give anyone permission to take photos in the art show of your pieces without prior approval of the art show director.

PRINT SHOP RULES:

All prints must be clearly labeled with the artist name, the title, and the print shop price. We encourage shrink-wrapping for the print shop to protect against damage from handling. Both matted and un-matted copies are allowed in the print shop, but un-matted copies must be packaged in plastic with cardboard backing or rolled into tubes with one matted copy for display. Mail in Artist: \$5 print shop fee (in addition to mail in fee).

The print shop will take a 15% commission. Attending artists will get preference on display in the print shop.

GENERAL INFORMATION:

Payments will be mailed to artists 2 to 6 weeks after the show. The time delay is necessary to allow for the processing of charge cards and for delivering and collecting on sold art that may be abandoned at the show.

All pieces are sold without any reproduction rights. We will provide a list of pieces sold with the names and addresses of the purchasers if you should wish to negotiate these rights. Stating that rights are included with sale is not the legal method to assign rights in the State of Texas.

Buyers will be allowed to pay with cash, travelers' checks, Credit, or personal checks with sufficient identification. Be prepared for the Art Show staff to handle your sold artwork. **Artists plan to pick up all artwork between the hours of 4:00-6:00 p.m. Sunday.**

The convention members will vote on the art awards including Best of Show. Award categories will include Best in Show, Color, B&W, 3D, photography, and mixed media for both Professional and Amateur artists. Additional awards are under consideration.
