

International Space Development Conference 2008

Capital Hilton Hotel, Washington DC, May 29 – June 1, 2008

The National Space Society’s 2008 International Space Development Conference will bring together all parts of the space community, from astronauts to entrepreneurs, scientists to policymakers, and professionals to enthusiasts. The conference will present a wide variety of space topics, including civil, commercial and scientific developments and discoveries.

ISDC has a long tradition as a cooperative effort. Affiliate organizations and institutions will receive the following benefits.

Benefits to Affiliate Organizations and Institutions:

- Affiliates are given ‘Member’ registration rates
- Introduces the Affiliate to non-members who may become interested in joining
- One free registration for affiliate staff (meals must be purchased separately).
- Recognition in conference publications, advertising and on the conference website
- Affirms the Affiliate’s role in supporting space activities

Agreement:

- Affiliate agrees to publicize and promote ISDC attendance to its membership.
 - o Effort should include email notice to members, notice or link on organization website and potential inclusion in organization newsletter as schedule allows.
- Affiliate provides logo artwork for promotional uses, within 7 days of this agreement.
 - o Web logo 72 ppi 110x110 pixels maximum size
- Affiliate agrees to contribute to the success of the Conference, with specifics to be arranged and agreed between Affiliate and Conference leadership.
 - o For example, on an individual basis, organizations can assist or lead programming of a particular subject track related to their specialization.

Contributions:

- No financial contribution is required. However, each Affiliate is encouraged to make a nominal cash contribution to the Conference, depending on its ability.

Consent to become an Affiliate Organization or Institution:
